Subdivider Weeks Heights Water supply

Offering a bait of \$2,640 in cash, the Crown Realty Co. asks water from Arlington Heights municipal mains for a 66-acre tract that it intends to open at the northeast corner of the village. Accompanying the request is permission to connect with village water system is the assurance that the company will install a master meter at the edge of the village at Thompkins and State road, or supply individual meters for each meter that is erected on the lot.

The request was made at the village board meeting Monday night by D. J. L. Walters and Joseph Horwitz who are developing Arlington Ridge.

Members of the village board do not adverse to the sale of water, provided the municipal wells have a sufficient supply of water. Village engineers have been asked to give their opinion. The \$2,640 check is the amount required under existing laws from new tracts of land which have not been taxed for installation of municipal water services.

Compliments police

A letter from National Mortgage and Investment Co., builders of homes in Arlington Heights, complimented the village for its police department and especially the alertness of Officer Karmans in stopping a theft at their property.

Police department reported 20 traffic arrests and collection of \$53 in fines. A special officer will be assigned to the collection of dog license fees and to the collection of vehicle taxes to insure that all vehicles have been a little diligent about making such payments.

Alderman Hoffie drew the attention of the board to the need of making the people of Arlington Heights greater accident prevention conscious. He suggested cognitions of the national campaign by the appointment of a safety committee. Mayor Good asked for suggestions for possible members.

A bit of old business hanging over from the previous board meeting will be handled next Monday night when Mr. Geisen will meet with a board committee to discuss his request for bus operation between the business district and the race track during the racing season.

Residents of that section of North Chestnut that is without sidewalks request the erection of concrete sidewalks similar to those on Scarsdale.

High shrubs on parkways that obstruct view of motorists should be removed hereafter and a street department will remove present shrubs at dangerous spots.

The municipal building requires a new roof, but Alderman Voss, chairman of the public grounds committee, cannot afford roofers who are very much interested in doing the job.

Ask for fire truck

In the opinion of the members of Arlington Heights fire department, a 20-year old fire truck in the obsolete class. They think that modern Arlington Heights with its 6,500 inhabitants should have a 1947 fire truck. A petition asking that a special election be called to approve bonds for that purpose was presented to the village board Monday evening.

A conference will be held between a committee of firemen and the village board Monday night. Some necessary remodeling will be necessary. Marvin Rodewald, spokesman for the firemen, told the board that the present outfit would be two years older.

Koehler leaves Palatine National for Aurora bank

Warren Koehler, cashier of Palatine National Bank will leave that institution for Aurora National Bank July 1. He has accepted the vice presidency of Aurora bank, which has resources of 16 million dollars. Directors of the Palatine bank regret his departure, but the offer from the larger bank was so advantageous that Mr. Koehler felt he should not be turned down.

Mr. Koehler left a position in the Arlington Heights National Bank to open the Palatine bank in 1944. In the 2½ years the Palatine bank has attained deposits of \$1,700,000.

Tiny Tots 'Graduate' from Kindergarten

Left to right, first row: Roland Kehe, Simone Malchow, Yvonne Hinrichs, Sandra Lemke, Sandra Highbarger, Denise Lihme, Luke Stephan, Wayne Krambeer, Cary Harting, Mary Jane Meyer, Lynn Rodewald.

Second row: Arthur Beyer, Carl Scharringhausen, Lawrence Scharringhausen, Robert Clausen, Edward Wahl, Judith Kleiner, Janice Clausen, Carol Freise, Helen Meyer, Karen Huber, Kay Witter.

On Wednesday, May 28, the kindergarten of St. Peter Lutheran school staged their annual graduation exercises, under the direction of their teacher, Miss Marcella L. Rubis.

V. Stephan, the kindergarten presented a program of songs and recitations. After this they donned white caps and gowns and received their diplomas, a

recognition of completion of pre-school training. The diplomas were presented by A. W. Bathje, principal of the school. Miss Rubis made an award for perfect attendance to Donald Gerken.

During the program Mrs. Claire Highbarger, third grade teacher, gave a short address on her impressions as a parochial teacher. Her observations were unusually interesting and inspiring.

After the kindergarteners had their pictures taken the audience enjoyed refreshments prepared by the Mothers' Club. The parents also had an opportunity to consult with the staff members on any particular school problems.

St. Peter Kindergarten is open to any child of the community who reaches the age of five by December 1. For further information contact the principal of the school at 1591 or 1382-M.

Reach compromise on Trude building on south side

Monday evening at the Arlington Heights village board meeting, the Trude organization was granted eight permits to build on South Dunton. The granting of the permits is conditional on the relinquishing of the five permits already granted on South State road.

The decision of the board climaxed a long verbal conflict between those who stood on the legal interpretation of the building code and those who wanted to apply pressure on Mr. Trude to make his homes conform with certain aesthetic ideas.

Walter Krause, representing the property owners of that area, argued that he did not want to see his property value decreased by the erection of less expensive type of construction.

Opponents admitted that it was certainly desirable to have a modern building code and zoning plan that would insure the beauty and value of all of Arlington Heights, but they pointed out that the zoning ordinances and building codes as they now stand, have been met, and even surpassed by Mr. Trude, and therefore that the village board, both individually and collectively might be liable to be sued if they did not approve the issuance of the permits.

Taege threatens to resign

Mr. Taege even stated that he would resign his position as village commissioner if he had to deny the permits. Along with Alderman Franke he very strongly expressed himself on the desire to avoid grounds for mandamus proceedings.

When the issue finally came to vote there were five ayes and one abstaining, Alderman Luehring.

Although there were scenes that threatened to become rather hot it was noted that in the end, all agreed that Arlington's beauty and property value must be kept up, and that there is a need for new building codes and zoning ordinances. The disagreement was on the immediate specific application of the idea to Mr. Trude's plans, which did comply, by common consent, to the present regulations.

5-room ranch houses

The Trude organization recently acquired several hundred lots and has plans to do a lot of building on Arlington's south side. First plans submitted call for erection of 5-room ranch type homes. These plans were first presented to the newly appointed building committee, which recommended certain changes. Mr. Trude agreed to a number of the changes.

He remained firm on some of his plans, stating, "I cannot sell \$19,000 homes; I must keep my sale price between \$12,000 and \$15,000 or abandon all building plans in Arlington. I personally intend to occupy one of the homes I will build here."

Choral concert Sunday evening

Thursday evening, June 12, the Prospect Heights Choral Society will present its third annual concert at the Arlington Heights high school auditorium, at eight o'clock. The choral society is under the direction of Phyllis D. Snetsinger and Robert Andreas. Edna Andrews will be the pianist at the concert.

Two guest artists to be featured at the concert are Carl Gingrich, baritone and The Rhythmic Sisters, dancers. The program will consist of four parts, including sacred and classical music, symphonic poem by Franz Liszt, folk songs and popular music. A variety of melodies that should suit everyone's taste in music, done in solos, quartets, duets and by the society as a whole.

The public is invited to attend the concert and admission is fifty cents.

Vacation school at Presbyterian church to start Monday

There will be a vacation church school at the First Presbyterian church, Arlington Hts., for two weeks, beginning the morning of June 9. The sessions will run from 9:15 until 11:30, for five days of each week, closing June 20.

This program is for children from three years of age through eleven, or those who are now finishing sixth grade. Not only will the children have something to do, but they will love doing it, and they will gain a better understanding of some aspects of the Christian life. The school is open to all children, regardless of their church affiliation. Enrollment will begin at 8:45 a. m. June 9, at the church, at the south door.

The program for the beginners' department will consist of work and worship, play and rest. They will be led in a study of "Happy Times in Our Church."

The primary department will make a study of "My Father's Business," based on Jesus' statement to his parents when they found Him in the temple at the age of twelve.

Juniors will explore "The Trail with the Master Guide." Along with study and worship, there will be planned recreation and handiwork.

Each child is asked to bring a small box containing scissors, crayons and a paste rag. In addition to these materials, the juniors are asked to include a bible, pencil and ruler. An offering will be taken each morning as a part of the worship service to help toward the expense of the school, and, more important, to teach the children that giving should be a part of the worship experience.

Anyone desiring further information may phone Mr. or Mrs. Carl Brown, 571.

High valuations cause many to protest taxes

More than the usual number of tax payers protested their taxes this year. The increase in valuation figures ordered by the Illinois Revenue Department forced the county assessor's office to raise previous figures 60 per cent. Many tax payers did not take kindly to the raises. They have paid their first installment under protest.

It is thought by some of these that the big corporations will question in court the legality of the arbitrary increase, especially in the matter of personal property. Those who have paid under protest will automatically benefit by any court decision. One Arlington Heights manufacturing firm was faced with a personal tax of over \$8,000. It is protesting over a third of that amount.

Protest notices filed with the township assessors include objection to valuations and rates. Attorneys specializing in such work use uniform figures for each taxing body. Those applying to Wheeling and Arlington Heights are as follows:

Tax District	Rate	Protested	Reg. Rate	% Protested
Arl. High School	.17	57	23.9	
Cook Co.	.13	26	50	
For. Pres.	.01	04	25	
Wheel. Town.	.01	04	25	
Wheel. Relief	.01	05	20	
Rd. & Bridge	.07	07	100	
Arl. Hts. village.	.21	45	46.7	
Arl. Hts. Pk. Dist.	.05	19	26.3	
School Dist. 25.	.05	70	7.2	

Protests filed with Wm. Annen, Wheeling township assessor, totaled \$13,000. It is not possible to determine without a careful check the amount that each taxing body will lose if an adverse decision is given on the rates or on reductions on valuations.

However, it is known that with \$13,000 paid under protest there is a considerable amount of money that will be temporarily withheld from local taxing bodies for as long as three to five years. An early decision on some of the rate objections might mean release to the taxing bodies of some of the funds.

Newsprint shortage cuts size of edition

The shortage of news print cuts this edition to 18 pages this week. Customary church notes, bowling news, a number of weddings, etc. are being omitted. Included in the omission are also views of the Youth Parade at Palatine. An effort will be made to have some of omitted news matter included in the rural edition of the Cook County Herald, and Mt. Prospect papers.

SAVE THE SCHOOL BILLS

All friends of schools should rally to the support of school bills now in the state legislature. There is great danger that the bills that were designed to bring financial relief to the public schools of this state will not be passed by the general assembly before the session closes on June 30th.

In dollars and cents this means that if the bills are not passed and approved by the governor, the taxpayers of District 25, Arlington Heights, will be out \$5,000 this year and \$12,000 next year—money needed to meet increased costs of operating the local schools.

The state-aid program to equalize education at \$120 per pupil and to raise flat grants \$6 per pupil is the minimum program. The governor's commission used the expenditures from school systems for 1945-1946 in arriving at the above minimum. School costs have gone up considerably in 1946-1947 and will rise still higher in 1947-48. Because of this fact the additional state aid is needed, or our schools will suffer.

It is essential that every friend of education carry out the following suggestions:

Send telegrams or write representatives and encourage them to have the educational bills called up for action. The bills are known as H. B. 87, 378 and 603.

Tell them that school costs have risen higher than the tax dollar and the state of Illinois should follow the example of many other states and come to their rescue. Every school child in every school district in the state should have the same educational advantage.

The letters should be addressed to Gov. Green, Springfield; Arthur J. Bidwell, senator, 1403 Bonnie Brae ave., River Forest; Bernice T. Van der Vries, 439 Maple ave., Winnetka; Emmet McGrath, 4157 Madison ave., Congress Park.

Action must be taken at once to save the school bills.

Scout Camporee June 13-15

Parents and other friends of scouting are welcome to visit the Boy Scout Camporee to be held at Camp Dan Beard, Wheeling, June 13, 14, and 15. Troop committees have been urged to organize scout troop family picnics for Saturday evening so that parents may be able to witness the afternoon activities, the evening campfire and enjoy a meal with their scouting sons.

Troops from all communities of the Northwest Suburban Council will gather together to demonstrate scoutcraft skills at this annual affair. The Council Camping and Activities Committee, Otto Harz, Park Ridge, chairman, have prepared a program of events that will prove interesting to parents as well as scouts. Camp will officially open at 2:00 p. m., Friday, June 13. Upon entering the camp grounds the troops will visit a demonstration area to inspect recommended camping techniques. Also at this area all tools and knives will be inspected. Such tools that are discovered to be improperly sharpened must remain at the area. No tools will be released during the Camporee until they have been properly sharpened.

The Friday evening campfire will be highlighted by the "tapping-out" ceremony for election into the Order of the Arrow — a national brotherhood of honor campers. Scouts elected to this honor will be welcomed into the organization by an impressive ceremony conducted by the ritual team of the Wakay Chapter of Chicago.

Saturday morning will begin a day of activities which will include knot tying relays, blindfold compass courses, lashing, smoke signaling, Morse and semaphore signaling, water boiling, fire by flint and steel, fire by friction, first aid and bait casting.

The campfires both Friday and Saturday nights will give each troop an opportunity to display its entertainment abilities. Music, singing and campfire skits are being planned by various units as their contribution to an evening of fun.

United airlines seeks helicopter mail service to Heights, Palatine

Through a revision in its air mail helicopter route application, United Air Lines has increased to 148 the number of communities it proposes to serve directly or indirectly in the Chicago municipal area — including expedited air mail service for businessmen, manufacturing concerns and producers in this community and the immediate trade area.

United has asked authority to establish four helicopter routes totaling over 300 miles in length, branching out from the Chicago municipal airport with stops at 45 cities and towns. One hundred and three additional communities are listed as "satellite" points to receive indirect service.

A hearing on proposed helicopter service for the Chicago area has been tentatively scheduled for July 14. In connection with United's application to provide this and other communities with fast air mail service, the company has taken delivery of a Sikorsky S-51 — a large-capacity craft accommodating three passengers, baggage and 250 pounds of air mail and cargo.

The new "flying windmill" will be christened at ceremonies in Chicago June 5.

Route No. 1 includes stops at Palatine and Arlington Heights. Pick-ups at Des Plaines would serve Wheeling, Prospect Heights, Mt. Prospect and Prairie View as "satellite" points, while a stop at Glenview would serve Northbrook, Morton Grove and other towns of that area.

Art Kehe purchases Schmidt's Market at Palatine

Arthur Kehe, Arlington Hts., has purchased the Schmidt Market at Palatine, which will hereafter be known as Kehe's Market. The transfer became effective June 2. Mr. Kehe has been employed at Krause's Market, Arlington Heights.

"I do not want to always be a clerk," was the explanation Art gave to his Arlington friends when he announced his new venture.

Mr. Kehe will be assisted by his brother, Ralph, who was employed by the Jewel store. The new proprietor will inaugurate daily deliveries and contemplates a number of other changes.

Prize Ford arrives

The Ford 4-door car which will be awarded by the VFW and the Firemen has arrived and is on display at the Poole garage, where it is receiving admiring glances. Its green color appeals to those who have given it the once over.

Junior Queen

JEAN FREYERMUTH, chosen queen of the Arlington Heights high school junior prom, with bouquet of red roses.

Junior prom was a gala event

Junior Prom night, May 31, at Arlington high was a gala affair. More than three hundred people crowded the dance floor under a false ceiling of dark blue crepe paper hung with hundreds of silver stars. To carry out the theme of a night on a Southern plantation the stage was decorated with four large white pillars around which roses twined. From a slope of green grass. At the far end of the floor a round mirror moon shone on the dancers from above palm leaves and a lilac-filled wheelbarrow, which had been whitewashed for the occasion. Huge bouquets of lilacs and palms had been placed among the lawn furniture bordering the dance floor. Punch was served from a gaily decorated wishing well.

Jean Freyermuth was chosen as prom queen by the Johnny Olin's orchestra and was presented with a bouquet of red roses by Joe Salzman, president of the junior class. Jean was selected from a group of five girls chosen by the band leader and the girl vocalist as the most beautiful senior girls. The others were Joan Haugen, Billie Trunkey, Dolores Grant, and Carol Miller.

Under the direction of Miss Dyrine Peterson, junior class sponsor, Joe Salzman and Nancy Nichols and Dan Magnus, senior president, and Joanne Bark led the grand march.

Chairman for the Prom committees were Peggy Taylor, decorations; Betty Brinethall, refreshments; Pat Collins, music; Joanne Leckband, bids and tickets; Joan Dodge, invitations.

13 Gls among Largest class in Heights history

The largest class in the history of Arlington Heights high school will receive diplomas this Thursday evening (June 5). Among the number are 13 GIs, two of whom are still in service. Stuart Smith, one of them, was originally a member of the class of '47. He is still in service, as is also Wesley Schmoldt.

GI graduates

Under the GED provisions any student of the high school whose studies were interrupted by war service, can secure his diploma if he passes the GED test. Tests have been taken by the thirteen boys at various periods during the past school year. The GIs receiving their diplomas Thursday evening in addition to the two above mentioned, are Gilbert Anderson, Robert H. Bentz, Geo. Callahan, Lawrence Hodges, Eugene Johnson, Gordon Johnson, Richard Leimetter, Nicholas J. Mayer, Joseph Otto, Kenneth Page and Robert Skarbovik.

The theme of the graduation is original, arranged by the speakers.

Five to speak

Five members of the class introduced by Daniel Magnus, class president, will be the commencement speakers. Talks will be given by Patricia Page, Clarke Robinson, Joanne Gilman, Robert Claus and Jo Ann Koester. The girls' chorus will give two selections, the boys chorus and the triple trio will each give one. Ann Lyman and Delores Goldthwait will play "Pomp and Circumstance" for the processional. The high school orchestra will present "Tannhauser" march for the recessional.

Rev. W. F. Kamphenkel will deliver the invocation. T. R. Ehrhorn will present the class, and E. F. Laurir, president of the school board will give the diplomas.

17 to graduate at St. Peter school

St. Peter Lutheran School will conduct its Annual Commencement Exercises Sunday, June 8, at 7:30 p. m., in the school auditorium. The class of seventeen, smallest in many years, will present a short program on the theme, "A Century of Christian Education," commemorating the 100th anniversary of the founding of the Missouri Synod.

The diplomas will be awarded by Mr. Irving Boettcher, chairman of the board. Mrs. Thelma Carrol, R.N., will present the dental award to the class, the fourth consecutive award to the school's graduating classes. Rev. William E. Bartling of Melrose Park will be the guest speaker.

The class includes: Velva Goebbert, Irene Feddler, Ruth Gronert, Arlene Heidemann, Gloria Hoth, Phyllis Kodoyama, Lillian Dettmer, Genevieve Holz-nagel, La Verne Bouffard, Elmer Hoeft, Ralph Heimsoth, Lemart Andersen, Eric Nelson, Stanley Sieberg, Leonard Dettmer, Richard Hoffman and Roger Page.

St. Peter Lutheran School will close its school year with a service in the church at 2:00 p. m. on Friday, June 6th.

On Saturday, June 7th, the annual school picnic will be held at the Elk Grove Forest Preserve south of Higgins road. The children will go out to the grove at 110 a. m. The Mothers' Club will serve lunch and refreshments.

3 fire departments save home from garage blaze

Prompt response by the Wheeling Volunteer Fire Dept. saved the Chas. Misar residence, Dundee and Schoenbeck Roads from destruction by fire which leveled the garage Sunday night. Fire was spurring from all corners of the car in the garage when the department reached the scene, and a moment later the entire garage was in flames. Only an arbor separated the garage from the house, and for a while it was feared the house would go and furniture was removed. Favorable winds aided the fire-fighters in getting the blaze under control, although lack of water presented a serious handicap.

Mt. Prospect and Prospect Heights Fire Depts., also responded to the call and emergency tanks of the three departments completely extinguished the flames.

Mrs. Paul Fellingham will entertain a group of club members from Chicago, Evanston, and Winnetka at her home Thursday evening.

Mrs. Fred Utterback is now home from the Wesley Memorial hospital and is staying at her mother's, Mrs. B. G. Baxter. Mrs. Utterback was in the hospital for several weeks and her condition is slowly improving.

What are "PROPER-SIZED" LIGHT BULBS?

The right bulb may mean the difference between good vision and eyestrain or between charm and mediocrity in home interiors. Cut out this chart and refer to it when selecting light bulbs for empty sockets in your home . . . or consult one of our lighting specialists.

Recommended Bulb Sizes

LIVING ROOM	KITCHEN AND BREAKFAST ROOM	BATHROOM
 40 or 60 watts each	 60 watts each	 40 or 60 watts each
 40 or 60 watts each	 40 or 60 watts inside frosted	 60 watts
 40 or 60 watts	 100 or 150 watts inside frosted	 100 watts
 40 watts each	BEDROOM	HALL AND EXTERIOR
 wall bracket, 40 or 60 watts	 40 or 60 watts each	 40 or 60 watts
 40 or 60 watts each	 wall bracket, 40 watts	 40 or 60 watts
 150 or 200 watts	 100 or 150 watts	 40 or 60 watts

NOTE: Some of the fixtures sketched above are not the recommended modern types, but are types found in many homes. Good lighting practice requires all light bulbs to be shaded so that no part of the bare bulb is in the line of vision. Proper sized light bulbs are available at your Public Service Company store or Light Bulb agency.

Arlington local news

Reverend L. V. Stephan will deliver the sermons in two languages at Mayville, Wisconsin, next Sunday morning. The Lutheran congregation there is observing its hundredth anniversary. Pastor Stephan's grandfather, Rev. Martin Stephan Jr., was the first resident pastor of this church, serving there in the year 1853. He designed the church building in Mayville as well as several other church edifices and elaborate baptismal fonts in the Chicago area, having studied architecture in Leipzig, Germany, prior to his study of theology.

The fifth birthday of Dickie Duenz was celebrated with a party for his neighborhood friends last Saturday afternoon.

Girl scout news

Troop 1
May 27 the Girl Scouts, Troop 1 of Arlington Heights Lutheran school, gave a Mothers Tea. Twenty mothers attended. The program opened with the presentation of the colors and singing of America. The girls then presented short skits and songs. The mothers were entertained with piano selections by Carolyn Blaschke, Renata Landmeier, Joyce Drewes and Jeanette Oltrogge. Lenore Paulmeyer played her electric guitar and Alice Rindlisbacher her violin. The girls served open faced sandwiches, coffee and pop. Each mother received an artificial geranium plant that helped decorate the tables. Joyce Drewes, troop scribe.

Troop 14
The fourth grade Brownies of the Arlington Heights North school held their Brownie Fly-Up Tuesday, May 20, at the field house. Sixteen mothers were present to enjoy the very impressive candlelight ceremony. Refreshments were served. On the next regular meeting date the troop will hold a picnic dinner at Elk Grove.

Crippled children's clinic at Glenview

A clinic for physically handicapped children in the Glenview area will be held from 9 a. m. to 2 p. m. Friday, June 6, at the Glenview village hall, Dr. Herbert R. Kobes, state director of services for crippled children announced today.

The clinic staff will include Dr. Fred Hark, orthopedist, Dr. Julius Richmond, pediatrician, and Miss Evelyn Green, speech and hearing consultant.

Improvements at Jahn's City Service

The installation of two new snow white gas pumps the past week at Jahn's City Service station in Arlington Heights puts them a step forward in the many improvements they are making. City Service is owned and operated by Richard Jahn and his son, Frank.

The first birthday of Sandra Mae Schroeder, daughter of Mr. and Mrs. Walter Schroeder Jr., was celebrated May 2, with a party for 16 children and adults. Mr. and Mrs. Arthur Pape and family, and Mr. and Mrs. Frank Bubltz and son, Edward, and Mr. and Mrs. Richard Niemeyer spent the Memorial week-end in Edgerton, Wisconsin. Meedames Pape, Bubltz, and Niemeyer attended a dinner and bridal shower given in honor of Mrs. Doris Pape, while there.

Mrs. Bertha Hildebrandt and children, Lorna and Arnold, went to Manistee, Michigan, to see the installation of Wibert J. Hildebrandt as a Lutheran school teacher on May 118.

A guest at the home of Mr. and Mrs. Arne B. Moe his week is Mrs. Moe's sister, Mrs. C. F. Greene of Baltimore, Maryland.

Sister DePaul, a former Sister of the St. James Catholic church in Arlington Heights is now at St. Joseph hospital in Aurora. Mrs. A. Klein and Mrs. Vance Folkman and daughter, Pat, called on her last Thursday.

American Legion auxiliary notes

It is worthy of note that the sun shines on most of the social meetings of the Legion auxiliary. Tuesday, June 3, was no exception and gave an uplift to rain soaked dispositions. The luncheon served by Mrs. Mae Jorgensen was dainty and delicious. The topic under discussion was the carnival which comes in June from the 19 to the 22. Every member who is physically able is expected to work at least one evening, more if possible. Members are asked to consult Mrs. Agnes Olson as to when and where they are to work so that she can plan to have enough workers each evening.

The Singer electric sewing machine is on display at Ida Graft's Beauty Salon. When shopping take time to look it over and make donations so as to have a chance of being a winner. A mistake was made in last week's notes. Merle Guild Unit served dinner to a ward in the Municipal Tuberculosis hospital at 22nd and Harlem, instead of at Vaughn hospital. Five members helped Eleanor Taylor serve the dinner that was prepared here. The menu consisted of baked ham, scalloped potatoes, rolls, coffee, two kinds of cake and a molded salad. Etta Fitzpatrick made the favors, which were three cigarettes tied with green ribbon.

Four bed patients were served on trays and flowers were sent up to them. Ten games of bingo with prizes were played.

An election of officers will take place at the June business meeting.

Wins third place in national poster contest

Joanne Leckband, 16, of 211 N. Belmont avenue, and a junior at Arlington Heights township high school, won third place in the third national school safety poster contest sponsored by the Chicago Motor Club and organizations affiliated through the American Automobile Association. Charles M. Hayes, president of the club, announced.

In ceremonies at the high school Tuesday, June 3, participated in by T. R. Ehrhorn, principal, Jane Ingels, art instructor, and fellow students, Miss Leckband was presented with a cash award of \$25 by Matthew Sielski, director of safety and traffic engineering, Chicago Motor Club, for her third prize poster illustrating the safety theme for child pedestrians, "Look Both Ways Before Crossing."

Winning posters in each of 10 categories illustrating children's traffic safety rules are distributed monthly by the Chicago Motor Club to 44,000 classrooms in elementary schools, public, private and parochial, throughout its territory in Illinois and Indiana. Other motoring organizations affiliated through the A.A.A. distribute the posters to 100,000 additional schools throughout the nation. Winning posters were selected from a total of 2,975 submitted by high school students in every state.

Camp fire news

The Otyowka Camp Fire girls of Arlington Heights will enjoy a potluck supper this Friday night, at six o'clock, in the Methodist church.

The girls have been invited to Mt. Prospect on June 20 to take part in the council fire.

IN MEMORIAM

In fond and loving memory of our dear son and brother, Austin B. Buncik, M. M. 3/c, who gave his life for his country three years ago, June 6, 1944.

The silent night is lonely and there is no golden dawn. Because we must remember son, that you are really gone. We still remember in our hearts. The happiness we knew. The many pleasant times we had. When we went out with you. There is no joy and happiness. In flowers that we plant. And if we call your name we hear.

We roam the house from room to room. We gaze beyond as far as we can see. But there is nothing we can do. To bring you back to our family. We have to tell ourselves again. That you are really gone. And we can only ask the Lord. For strength to carry on. But you're not alone in that grave o'er the sea. For there's where our hearts will always be. Loving Father, Mother, Brothers and Sisters.

News of VFW post 981

The Post extends its thanks to the organizations and persons who participated in the Memorial Day services, and to Howard W. West, Jr., vice commander of Advertising Men's Post 38, American Legion. Ex-marine Sgt. Bracke is to be commended for the excellent work done with the firing squad.

Every Wednesday night, until further notice, committee members will meet with the firemen, at their club rooms, at 8 p. m. to work on the plans for the joint celebration in July.

The next regular meeting of the Post will be held June 13, at 8:30 p. m. at 17 E. Miner st. There will be one meeting a month during the months of June, July and August. A good sum of money was added to the Post's funds through the efforts of dance chairman, Wally Kehe. Adjutant Don Oefelin is filling his new position very well. It so happens that his father, Raymond Oefelin, was the first commander of Post 981 when the charter was issued in 1922.

St. John church picnic June 8

A picnic scheduled to last all day June 8, is being planned for members of the St. John church and Sunday school of Arlington Heights. The picnic will be held at the Scharringhausen picnic grove on South State road. The church urges that not just the children, but mom, or just dad, attend the picnic, but that the whole family turn out for this day of fun and frolic. Families are asked to bring their own picnic lunches. Refreshments consisting of coffee, pop, candy, ice cream, cracker jack, etc., will be on sale on the grounds. The picnic starts at the grove at 12 noon.

Explorer post news

A new youth organization has been formed here in Arlington Heights for the purpose of furthering scouting, here and after known as an Explorer Post. Young men 15 years of age and older may join.

The Merle Guild American Legion Post 208 is the sponsor of this new Boy Scout organization. They will supply the meeting place and committee for this post.

Ed Chidley, a member of the American Legion, is the post adviser. Some of the boys that have attended are Ken Gronert, Taylor Lewis, Don Neuses, Norman Stadler, David Kurtz, John Deininger, David Archibald, Dick Morrow and Paul Ransdell.

E. A. Carncross, insurance official, in hospital

E. A. Carncross, head of the insurance department for Cook county of the Illinois Agricultural Association, was taken to the Presbyterian hospital last week and was operated upon Saturday. It was his first experience with modern surgery and his family had difficulty in convincing him Sunday that he had passed through an operation. A shot in the arm effected anesthesia. The operation was done by electricity. The family expect him home within a few days.

ONE-TWO-THREE-FOUR- FIVE-SUGGESTIONS

...to help you make
better use of your NEW
Telephone Directory

WE TRY to make your telephone
directory accurate and complete.
These five suggestions, if followed,
will increase its usefulness.

1 Be sure to discard your OLD
telephone directory if it was not
collected when the new one was de-
livered. (Don't destroy it—turn it
in for waste paper.)

2 If you have a memo list of num-
bers called frequently, verify
these numbers now by looking in
your NEW directory.

3 Always consult the directory
when not sure of the number.

Calling from memory is a common
cause of wrong numbers.

4 Look in your directory—don't
ask "Information" for numbers
listed there. This avoids making
two calls instead of one.

5 Use the "Classified" section
(yellow pages in most directo-
ries) to locate wanted products,
services or professional help.

Son of Arlington residents to preach here Sunday

Rev. James Manz, son of Mr. and Mrs. John F. Manz, 217 Carlye Place, Stonegate, Arlington Heights, will conduct the services at Faith English Lutheran church next Sunday, June 8. The service will be held at the temporary meeting place, the Arlington Heights fieldhouse and will begin at the usual hour, 10:45 a. m.

The Rev. James Manz is the first assistant pastor to Dr. O. A. Geiseman at River Forest, Ill.

At Downer

Rita Persenico of Bensenville will receive her Bachelor of Arts degree from Milwaukee Downer College June 9, when the 36th annual commencement exercises will be held at Merrill hall at 10:30 a. m.

Dr. Charles L. Gilkey, pastor of Rockefeller Memorial chapel of the Chicago University will deliver the address and President Lucial R. Briggs present the degrees.

At Illinois

When the 76th annual commencement of the University of Illinois is held Sunday, June 8, Dorothy Medendorp of Itasca will receive a B. S. degree in home economics.

A total of 1,947 degrees will be conferred at Urbana. On June 20, 383 others will be conferred at Chicago.

Dr. Franklin B. Snyder, president of Northwestern University, will give the commencement address. U. of I. President Geo. D. Stoddard will confer the degrees.

John Edward Bennett

Funeral services were held Thursday afternoon at Sharp Funeral Home, Palatine, for John E. Bennett, who died at the home of his aunt, Mrs. Juanita R. Zahman June 2 after a lingering illness. Interment was in Acacia Park.

His lifeless body was discovered by his aunt when she returned home Monday afternoon. In the morning his brother, who roomed with him, had thought he was sleeping late and the household left for their usual occupations.

John had made his home with his aunt the past eight years. He leaves his parents and two brothers, Paul and James, in addition to his aunt.

Graduate nurse

Miss Carol Wiehrdt of Palatine will graduate from the Henry hospital school of nursing in Chicago tonight, Thursday, at eight o'clock. The exercises will be held at John B. Murphy Hall, American College of Surgeons, 40 E. Erie st., Chicago.

Miss Wiehrdt, who affiliated at Illinois Neuropsychiatric Institute and Cook County hospital, will complete her course in September of this year. She is a graduate of Palatine township high school.

At Interlochen

Constance Claire Johnson, daughter of Mr. and Mrs. Geo. D. Johnson of Tonne Road, Bensenville has been awarded a scholarship to National Music Camp at Interlochen, Mich., for the coming summer, according to an announcement from Dr. Joseph E. Maddy, president of the camp.

Miss Johnson is a pupil of Arlington Heights high school of this city.

At Lawrence

Elizabeth Lindsay, Roselle, is among the 161 candidates scheduled to receive degrees from Lawrence college during the institution's centennial celebration from June 5 to 8th. The class, which includes 80 Lawrentians whose education was interrupted by military service, is the largest in the college's 100 year history.

Miss Lindsay will receive a bachelor of arts degree. She is a member of Delta Gamma, national social sorority, and is a member of the dramatic group, Sunset, on campus.

Geraldine Beaumont, Orlando Bonicelli wed

St. Mary's church, Evanston, was the scene May 24 of the wedding of Miss Geraldine Beaumont, daughter of Mrs. Charles A. Beaumont of Palatine, and Mr. Orlando Bonicelli, son of Mrs. Charles Bonicelli of Chisholm, Minn. The double ring ceremony, read by Father McGillicuddy, was performed before the altar banked with ferns and baskets of flowers.

Grandfather of the bride, Harry A. Beaumont of Baltimore, Maryland, gave her in marriage. Miss Beaumont was attired in a wedding dress of white silk marquisette, styled with fitted bodice, having high round neck-

line, half sleeves, and draped effect waistline, over a full skirt ending in a long train. A net crown, covered with lilies-of-the-valley, held the fingertip veil in place. The bride carried a hand bouquet of white gardenias from which fell streamers of white satin knotted with flowers.

Peggy Emmert of Chicago was maid of honor and she wore a gown of peach chiffon and lace. Twin sisters of the bridegroom, Irma and Ida Bonicelli, were the bridesmaids and wore gowns identically in blue chiffon. The attendants all carried bouquets of blue cornflowers and peach roses and wore matching

Barbara Harnden and Melvin Fisher say 'I do'

Miss Barbara Joiner Harnden, daughter of Mr. and Mrs. Howard P. Harnden, became the bride of Melvin H. Fisher, son of Mrs. James H. Fisher of Logansport, Indiana, Saturday afternoon, May 31, at four o'clock, at the Barrington Methodist church.

The Rev. C. J. DeNecke, pastor of the church, performed the ceremony before a beautiful background of palms, baskets of white flowers and candelabra. As the guests gathered, Mrs. Lawrence York played a program of nuptial music. Miss Olive Johnson sang "O Perfect Love" and "Ich Liebe Dich."

The bride, given in marriage by her father, wore a white satin and lace gown with train and full-length veil and carried a beautiful white bridal bouquet.

The attendants, Miss Betty Thompson and Edward Alderson, both of Rockford, Illinois, were college friends of the bride and groom. Miss Thompson wore a blue gown and carried a bouquet of shaded rose carnations.

Harold and Charles Welty, cousins of the bride, and Fred Reed, friend of the groom, were ushers.

The bride's mother wore a shell

pink colored dress with white accessories and a corsage of gardenias. The groom's mother was dressed in black and white and wore a pink corsage.

Following the ceremony a reception was given in the beautifully decorated church parlors to one hundred and fifty relatives and friends.

A five tier cake and a beautiful silver service, which was the bride's great-grandmother's, and white flowers and candles graced the serving table. Assisting in the serving were seven friends of the bride: Misses Joselyn Peterson, Perrine Pingle, Carolyn Kamphinkel, Corine Pauling, Naomi Griener of Arlington Heights, Camille Wells and Joan Geske of Barrington.

The groom served four years in the Army Air Corps, spending three years overseas. The bride and groom will enter their senior year at the University of Illinois in the fall. The bride is majoring in sociology and the groom is completing a course in civil engineering.

When the young couple left for a wedding trip in Kentucky the bride was dressed in a white suit with white accessories.

headpieces in their hair.
The groom was attended by Don Sartori as best man. He also was attended by two ushers, Wally Kellim and Bill Dunne.

Collection plates are Memorial Day gift

In connection with the Memorial Day Sunday service, the First Presbyterian church, Arlington Heights, received and dedicated six new collection plates. These plates are given anonymously by one of the families of the church as a memorial to the men and women of this church who served in the armed forces, and especially to those who paid the supreme sacrifice. These plates are made of brass.

In the statement of dedication it was stated that by using the collection plates, the members of the congregation would be constantly reminded of the fact that much we have come to us through the sacrifice of others, especially the sacrifice of Jesus Christ for all people. It was further stated that in placing our offering in the plates we would have opportunity to make sacrifices on behalf of our fellow man wherever the church ministers at home and abroad.

English bride joins husband in Arlington

Mrs. L. S. Grupe, Jr., arrived in Arlington Heights May 27, coming from Southampton, England on the steamer, S. S. Holbrook, which docked at New York May 24. She was one of the 100 English brides aboard the boat.

Mr. Grupe met his wife, the former Clarice Jean Passy, while stationed in England with Patton's Third Army in 1944. They were married September 18, 1945 in the Church of England at Kidderminster, Worcestershire.

Due to difficulties in securing transportation Mrs. Grupe's arrival in the states was delayed, her husband having returned in December, 1945. Mr. and Mrs. Grupe plan to make their home in Arlington Heights and will take a belated honeymoon trip to the West coast in the near future.

At St. Thomas

Cadet 1st Lt. Patrick Barrett, son of Mr. and Mrs. John Barrett of 512 Banbury road, Arlington Heights, will be graduated from St. Thomas Military Academy, St. Paul, Minnesota, June 6, at exercises in the armory on the campus. The Most Reverend John Gregory Murray, Archbishop of St. Paul, will present the diplomas, and Major General Alfred M. Gruenther, deputy commandant of the National War College, a graduate of St. Thomas, will give the principal address. Cadet Barrett was active in football and was a member of the Catholics Club and the Crack Platoon.

Former Arlington girl graduates from Sherman school of nursing

Wednesday evening Miss Marjorie Jean Biggs, formerly a resident at 416 E. Park st., Arlington Heights, graduated from the Sherman hospital school of nursing in Elgin. Attending the exercises were her parents, Mr. and Mrs. Henry Biggs, now of Myrtle Creek, Oregon.

Miss Biggs will leave today, Thursday, for Myrtle Creek, where she will spend a three weeks vacation. Upon her return she will spend four months more at Sherman hospital and go from there to Downey hospital near Great Lakes for three months, which will complete her training.

Miss Biggs graduated from the Arlington Heights Township high school with the class of '41.

Stork Feathers

Cheri Lynn is the name of the first child born to Mr. and Mrs. Harold Chamberlain, Jr. of Palatine, formerly of Arlington Heights, last May 23, at the St. Francis hospital, Evanston. Cheri weighed in at 6 1/2 pounds and is the lucky possessor of two great grandmothers, two great grandfathers and two grandmothers. Mrs. Chamberlain is the former Evelyn Mayo of Atlanta, Ga.

Mr. and Mrs. Erwin Meier, Foundry road, Mt. Prospect, are the proud parents of a little girl, Linda Lee, born June 1. Linda tipped the scales at 8 pounds 4 ounces. Mrs. Meier is the former LaVerne Garmes of Arlington Heights.

A new addition to the family of Mr. and Mrs. Donald Meyer of Rogers Park, formerly of Arlington Heights, is Douglas William. Doug was born at the St. Francis hospital, Evanston, May 27, and tipped the scales at 6 pounds 15 ounces. His mother is the former Marion Dreschler.

Celebrate 35th wedding anniversary

Mr. and Mrs. Paul Taege of Arlington Heights were guests of honor last Sunday evening at a family gathering held at the home of Mrs. Anna Schwartz. The party was in honor of the Taege's thirty-fifth wedding anniversary and Mr. Taege's birthday.

The group enjoyed a social evening, reminiscing about the "good old days," which was followed by the serving of a delicious luncheon.

Graduates from nursing school

Monday, June 2, Miss Bernice Bornkamp participated in the commencement exercises of the Cook County School of Nursing in Chicago. The graduation took place at eight o'clock in the Nurses' Residence at 1900 West Polk.

After a two weeks vacation in New York, Miss Bornkamp will affiliate with the Visiting Nurses' Association of Chicago until September.

Showered again

Miss Joyce Wille of Mt. Prospect, having already been given several bridal showers, was again showered on May 18, when 20 guests gathered at the home of Mrs. William Gronert of Arlington Heights with many lovely gifts for the bride-to-be. Miss Wille will become the bride of Don Kempf this Saturday at the Mt. Prospect St. Paul Lutheran church.

The lady guests played buncie while their husbands played pinocle with the groom-to-be at the home of Rev. Kempf. Later they returned to the Gronert home to join the ladies in refreshments.

Potluck luncheon

Members of the WSCS of the Arlington Heights Methodist church will hold a potluck luncheon Tuesday, June 10, at 1 o'clock, in the church parlors. Each member may invite a guest. Members are asked to please bring a potluck dish, and dishes and silverware for two.

Mrs. L. Hoover will be the guest speaker.

Doris Pape honored at bridal shower

A bridal shower was given in honor of Doris Pape of Arlington Heights on May 31. A six-thirty dinner was served at Goedes Mirror Room in Edgerton, Wis. Tables were decorated with yellow tulips, blue candles, and nut cups made of yellow and blue tulle. Gifts for the bride-to-be were placed beneath a yellow and blue umbrella decorated with tulle and forget-me-nots.

After Miss Pape had opened her many lovely gifts the guests enjoyed playing Court Whist. The shower was given by Mesdames Ferd Gessert, Will Schiefelbein and Carl Bublitz, all of Edgerton, and Mrs. Richard Niemeyer of Arlington Heights.

Miss Pape will become the bride of Edward Bublitz of Arlington Heights on June 28.

Woman's guild has successful breakfast

Despite the inclement weather on Sunday, June 1, the Arlington Heights St. James Catholic Women's Guild's "Mother and Daughter" breakfast was a big success. Over one hundred and fifty mothers and daughters attended the seven o'clock Mass and received Holy Communion. The girls choir lent a beautiful tone to the Mass. All the daughters attending the breakfast after Mass were given a lovely red rose to present to their mothers.

Mrs. Frank Cizek, the new president, welcomed all the members, their mothers and daughters with appropriate music. Mrs. Wilfred Donlea and her daughter, Lucy, sang a duet, "Ave Maria," in honor of the occasion.

Mrs. Louis Runde and Mrs. Joseph Muran were the chairmen in charge of the breakfast.

OES notes

The Arlington Heights chapter 992 OES will hold a stated meeting and Father's Day on June 12. They will also have a birthday table for members who have birthdays in March, April, May, and June.

Dorothy Bridenthall will serve June 5 in Pentelpha chapter, Evanston, and she will also serve in the Des Plaines chapter June 9.

Married Saturday

Many relatives and friends from Arlington Heights, Des Plaines, Bensenville and Elmwood attended the wedding of Miss Darlene Ohlerting of Des Plaines and Mr. Harry Mueller of North Chicago, at Christ Evangelical Lutheran church, Des Plaines, May 31.

Lois and Harvey Schnell of Arlington Heights, who are cousins of the bride, were among those in the wedding party. A wedding supper and reception was given by the bride's parents, Mr. and Mrs. Harry Ohlerting for about 350 guests.

Babies baptized Sunday

Judith Lynn, daughter of Mr. and Mrs. Elmer Arnst of Arlington Heights, was baptized at the regular Sunday morning services at the St. Peter Lutheran church last Sunday, Rev. L. V. Stephan officiating. Judy was sponsored by Mrs. Milton Zuchow, Miss Ruth Horstmann and Theodore Kwirant, Jr.

Following the baptism 20 guests were served dinner at the Arnst home.

Walther League talent festival

Members of the Junior and Senior Walther League societies in this area will participate in the 13th annual Talent Festival sponsored by the Northern Illinois District Walther League at Concordia Teachers College, 7400 Augusta Street, River Forest, on Sunday, June 8. On that day they will have the opportunity of displaying their talents, together with Leaguers from approximately 270 other local church societies, not for competition but for an evaluation by competent judges.

The registration of entrants will open the program and from 2 to 5:30 p. m. the various events will be conducted. Supper will be served in the college dining room from 4 until 7 p. m. The Immanuel Lutheran Band of Elmhurst under the direction of William F. Bertram will present an outdoor band concert in the Quadrangle of the Concordia campus from 5:30 to 6:15 p. m.

Outstanding performers as revealed in the afternoon events will be featured on the evening program to be held in the college gymnasium at 7:15 p. m. Participant from Junior Walther League of St. Peter's Lutheran church, Arlington Hts., a novelty act, is Elmer Wegren.

Mary Jean Bentz to Girls State

Mary Jean Bentz, daughter of Mr. and Mrs. Arthur H. Bentz and a junior at the Arlington Heights Township high school, has been selected by the Merle Guild unit of the American Legion auxiliary to attend the 7th annual session of Illinois Girls State, which will again be held June 18 to 26 at MacMurray College, Jacksonville, Ill., according to Mrs. Merle Holz, unit president. Each girl attending Girls State is chosen because of her outstanding qualities of scholarship, leadership, sportsmanship and courage for service.

During that week, the 320 girls sponsored by the various units of the auxiliary will live in a mythical state, govern themselves, and elect their own city, county and state officers. Each morning session will be given to instruction in government, as it functions in the state of Illinois, and to the election of the officers of the mythical government at Girls State, according to Mrs. Mae Wisersky,

Announce engagement

Mr. and Mrs. Ira D. Allison of Arlington Heights, announce the engagement of their daughter, Margaret, to Mr. Roland D. Wills, son of Mr. and Mrs. Herbert R. Wills of Sabina, Ohio. Miss Allison and Mr. Wills are both students of Ohio Wesleyan University in Delaware, Ohio.

Marilyn Minter and Robert Vinci married

Last Sunday afternoon at four o'clock Miss Marilyn Minter, daughter of Mr. and Mrs. Edwin Campbell, Minter, of Arlington Heights, became the bride of Mr. Robert A. Vinci, son of Mr. and Mrs. Henry Vinci of Chicago. The ceremony took place before the altar of the Arlington Hts. Methodist church, which was banked with palms, candelabra, and vases and urns of cala lilies and gladioli. The solemn vows of marriage were repeated after Rev. Milo J. Vondracek, who performed the ceremony.

During the ceremony Ira Parker sang "Because," and "The Lord's Prayer," accompanied by Dick Everett at the organ.

Miss Minter chose as her wedding gown a dress of white marquisette, the skirt having insets of lace. Her dress was fashioned with fitted bodice, having sweetheart neckline and long full sleeves, and a full skirt ending in a long train. She wore a fingertip veil, held in place by a lace Juliet cap, orange blossoms edging the veil around her face. The bridal bouquet was made up of white carnations and roses with an orchid center, and dropped satin streamers knotted with lilies-of-the-valley. The bride was given in marriage by her father.

Matron of honor for the bride was Mrs. Robert Harper of Chicago and Miss Joslyn Gabel served as bridesmaid. They both wore identically styled gowns, the matron of honor's being or-

chid marquisette and the bridesmaid's being chartreuse. They carried colonial bouquets of white carnations and red rosebuds, with matching headpieces in their hair.

Samuel Vinci, brother of the bridegroom, served as best man. A dusty rose crepe dinner dress was worn by Mrs. Minter for her daughter's wedding, with gardenias in her hair and a corsage of gardenias on her dress. The groom's mother wore a royal blue chiffon dinner dress, set off by a red rosebud corsage and rosebud trimmed hat.

A garden reception was held at the home of the bride's parents for 150 guests, including six Delta Delta Deltas who were all former schoolmates of Miss Minter who attended Carleton College and Wisconsin University.

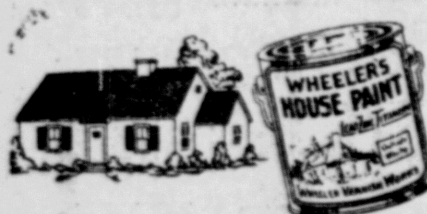

The newlyweds are now on a two week honeymoon that will take them to Northern Minnesota and Canada. Upon their return they will be at home on the north side of Chicago, where they have secured an apartment.

At Albion

"Modern social conditions demand an increased number of people prepared in institutions of higher education," declared Dr. John Dale Russell, director of the Division of Higher Education of the U. S. Office of Education, to the Albion commencement audience assembled

100 mile auto race Sunday at Milwaukee

A brilliant field of Indianapolis cars and drivers, topped by such old favorites as Rex Mays and Ted Horn, will roar away Sunday, June 8, at 3 p.m., in a national championship 100-mile big car automobile race on the fast

one-mile dirt track at Wisconsin State Fair park, Milwaukee.

The event, sanctioned by the American Automobile Association, has attracted a strong turnout of speedway stars, most of whom competed in the Indianapolis 500-mile race on Memorial Day. They will be seeking not only their share of the heaviest prize purse yet offered at State Fair park, but will be gunning for points in the AAA's 1947 national standings.

The starting field will be pared to the 14 fastest cars in free time trials to be conducted at State Fair park on Saturday, June 7, at 2:30 p.m.

Lineup for the 100-mile race is scheduled for 2:30 o'clock Sunday, and that the starter's flag will go down a half hour later. There has been a heavy advance sale for the century classic, but thousands of tickets will be available at the gates. The rain date is June 15.

except the high hurdles and the shot in winning their third championship in the past four years. Twelve Arlington boys broke into the point production to bring the championship back to the Heights. Arlington scorers were Schaeffer, Breda, Ragland, Morotti, Theis, Bork, Krause, McDougal, Busse, Robinson, Goebbert, and Spratt.

The meet was postponed from Tuesday, May 27, in order that Lake county schools might avoid the conflict with their county meet held that night. As it turned out the meet was moved from a good night to a cold rainy one and only Lake Forest of the schools who had the conflict came to the Palatine meet. Antioch and Grant did not send entries and Libertyville dropped out rather than compete in bad weather.

The meet was the seventh sponsored by the athletic departments of the Arlington Heights and Palatine Township High Schools. Next year's meet will be held at Arlington Heights, as the location is shifted each year.

countries. He will also report on the growth of the Youth for Christ movement, which started in America and Canada and now has spread to Australia, Latin America, Holland, Germany, Italy, Switzerland, Belgium, Greece, France, India, China, Japan, and the Philippines.

Billy Graham will relate the six months he spent this last winter in England, where he established more than 200 regular Youth for Christ chapters. According to British clergymen, Graham's work in solidifying the movement in the British Isles has caused the biggest revival

there since the time of the great evangelists, Torrey and Alexander.

Held in cooperation with hundreds of Protestant youth leaders and pastors, the rally is being reeted by Dr. Cook, and will feature a 1,000-voice teen-age choir and a 300-piece band.

Put yourself on EASY Street

SKIP styling for a moment — it's pretty well admitted by now that Buick has called the turn on the shape of cars to come.

And for the present, slide over performance — with that big bonnetful of Fireball power, nobody's going to challenge you much on the open road.

What else has the trim Buick got that others can't quite come up to?

You find one big answer where the cobbles are plentiful, the car tracks tangled, the bumps big.

This brawny traveler has a ride — a smooth, level, easy stride that makes you think of a canoe drifting in quiet waters.

One reason: It was Buick that first introduced the American public to soft, gentle coil springing on all four wheels.

It was Buick that first made it

THESE DO IT
— four big-but-gentle coil springs permit each wheel to "step over" bumps as it reaches them. It is this independent action of each wheel that gives Buick its matchless buoyancy on any and all roads.

gentle softness always. They need no greasing or attention. They are unaffected by dirt, wear or the weather, and break-age is practically unheard of.

The net of it all is that you put yourself on Easy Street when you seat yourself in a Buick. You make every road a better road — every ride an adventure in smooth and buoyant comfort.

Why not drop in and learn more? Whether you have a car to trade or want to talk on a "clean deal" basis, you'll always find a warm welcome here.

ONLY BUICK HAS ALL THESE

STAR FEATURES

- AIRFOIL FENDERS • FIREBALL POWER
- SILENT ZONE BODY MOUNTINGS • BROADRIM WHEELS

Ed (Lou) Lange, coach of Concordia high's championship nine, has accepted the invitation to serve as manager of the suburban team. One of his assistants will be Don Koloway of the White Sox.

The Chicago All-Stars will be piloted by the coaches whose teams finish 1-2 in the City League. They will be assisted by Dick Wakefield of the Detroit Tigers.

Fans also will see Kalloway and Wakefield in action that afternoon because their respective teams are scheduled to meet in a regular American League game, the opener at 1:30. The prep classic will follow.

The Chicago boys again will be the home team and will occupy the White Sox dugout back of third base. The Suburban All-Stars will go to bat first and will hold fort in the visitors' dugout back of first base.

Fans interested to sitting as close as possible to the dugout of their favorite team can order their tickets accordingly.

Make Tuesday, July 1, the family's day at Comiskey Park. It's "Ladies' and School Children's Day." Women and school children will be admitted for only a 25-cent tax ticket.

Gil Dodds to run at Soldier field youth rally

More than 75,000 "bobby-soxers" and their parents are expected to crowd into Soldier Field — scene of many of Chicago's biggest outdoor gatherings — on Flag Day, June 14, at the third annual Chicagoand Youth for Christ anniversary rally. Dr. Robert A. Cook, director, announced.

Principal speakers will be Gil Dodds, the "Flying Parson" from Wheaton, who holds the world's mile record of 4:04.4; Dr. Torrey M. Johnson, world-wide president of Youth for Christ and probably the best known evangelist of modern times; and the Rev. Billy Graham, vice-president-at-large of Youth for Christ International.

Dodds, who appeared at the first Youth for Christ rally in Soldier Field in 1945, will address the youthful crowd and run an exhibition mile race against time. The slim parson, winner of the Sullivan Award as the outstanding athlete of 1944, shunned track for three years to study for the ministry. In his comeback last year, he ran a string of 23 straight victories.

Dr. Johnson, who will fly back from Europe in time for the rally, will give the final "missionary challenge," an appeal to young people to dedicate their lives to God's service in foreign.

B. F. Goodrich announces a big reduction in the price of the famous Silvertown tire!

Yes, you can now buy all popular sizes of the tire that outwears prewar tires at actually less than prewar prices! And despite higher manufacturing costs too. One of the things that makes possible this huge price reduction is the tremendous demand for the new Silvertown—greater than for any tire B. F. Goodrich ever produced. In fact, more miles have been driven on this new tire than any other tire introduced since the war.

In the future

Things to come — A precision saw filer which even the inexperienced can handle. It sets the correct pitch and angle for any type of hand saw... A dictating machine for busy executives which records messages on wire. The wire recorder was widely used during the war, but this is said to be the first specifically designed for business use... A new dressing for lawns which is said to provide feed for grass and at the same time control weeds. It is a combination of fertilizers and weed-control chemicals... A bicycle trailer capable of carrying 200 pounds. A special hitch permits easy attachment or detachment... Portable fluorescent lighting, which can be used without wiring or new outlets... A wind velocity meter which measures wind velocities as low as five feet a minute and as high as 2,000 feet per minute... A double-deck automobile parking rack. It practically doubles the space of parking lots... A mild, soapless cleaner for automobiles. Dissolved in water it produces rich suds which may be quickly applied to automobile exteriors.

Play yards are summer safeguards for youth

To protect 472,406 elementary school students of Cook County who will start their summer vacations in the next four weeks, the Chicago Motor Club, today, appealed to parents and civic groups to provide additional play areas.

The motoring organization is offering \$1,125 in cash prizes in a contest to encourage the construction of play yards in vacant lots or at the rear of private homes.

The Chicago public elementary schools will close June 27 and will affect approximately 247,000 students. Some of the 67,527 pupils of the Cook County public elementary schools will start their vacations May 30 while others won't be dismissed until June 27. Parochial elementary schools in Chicago and suburbs will close their doors to 157,873 students on June 13.

Three prizes will be awarded in each of the five sections of the county — North, Northwest, West, South and Southwest. A grand prize winner will be selected from amongst these and will be given \$250 in cash for having the best play yard in the county.

The contest is open to everyone except employees of the Chicago Motor Club and their families. Entries will not be accepted after midnight August 15 and play yards must be in operation by that date.

Individuals may enter the contest by constructing a play yard on their own property. Entries will also be accepted from groups of people who work together to create a play yard for their block. Occupants of apartments who aid in creating a play yard for the children of their building may enter also.

Fine garbage man for dumping refuse in forest preserve

Testimony of four witnesses against R. L. McClure, of 4828 South Damen ave., last week, resulted in a fine against McClure of \$100, imposed by Judge Frank Itzel of Palos Park, on a charge of dumping garbage in the Forest Preserve District.

The garbage dumped by McClure, witnesses said, was collected from them and they paid McClure for its removal. Letters found in the garbage led to their identity. They testified McClure is engaged in the garbage collecting business, but they had no knowledge of his dumping ground.

Because other evidences of garbage dumping has been found in the Forest Preserve District and along highways, bordering the area, William N. Erickson, president of the Board of Forest Preserve Commissioners, has ordered a campaign against such practices. He said:

"The Forest Preserve District is for the intelligent use of all the people, and not for dumping of garbage. This practice causes an unsightly appearance to the landscape, and is a source of disease. The practice must be stopped."

Forest Rangers will patrol the area, and arrests will follow with heavy fines imposed upon violators. A lot of dumping is done along Northwest highway in Deer and Elk Groves.

Tavern dog routs Libertyville bandits

Two armed bandits were thwarted in an attempt at robbery at the Frank Goggins Liberty View tavern north of Libertyville last week by Goggins' Doberman Pincher. Goggins and his wife were ordered from behind the bar into the kitchen by the gun-toting bandits.

As soon as they had closed the door Goggins got out of a window, ran to the rear and released his dog. He sent it into the tavern. The dog leaped at the gunmen who fled in terror. Goggins rewarded the dog with thick juicy steaks.

Better Insulators

An electrical manufacturer reports that synthetic insulating materials now under development by chemists promise more efficient use of electric power at lower cost.

Judging of the play yards will start in the last week of June and the judges will have the privilege of inspecting them at their own convenience. Winning yards will be judged on 50% for utility for children; 25% for contributing to the appearance of the neighborhood; and 25% for originality in design or equipment.

Entry blanks may be obtained at the main office of the Chicago Motor Club, 66 E. South Water street or at any of the branch offices.

Glenview clerk dies after 25 years village service

Walter J. Meng, 2619 Glenview road, for 25 years Village Clerk of Glenview, passed away last week at Illinois Masonic hospital in Chicago after a lingering illness. He was 56 years old.

Funeral rites were held at St. Peter's Evangelical church Thursday at 3 p. m., the Rev. Armin Bizer officiating. Interment was in Ridgewood cemetery.

Mr. Meng had lived in Glenview since 1917. He was a member of Glenview Lodge No. 1058, A. F. & A. M. Until failing health forced him to retire four years ago, he had been associated with the Peoples Gas, Light and Coke company for 37 years.

JUST AROUND THE CORNER

Dear Jane:

This is just another one of those rainy days, but because it's Sunday, we resent it more.

If there's anything we dislike more than having to remain indoors during the week end, I can't think what it is. Especially, when there are so many necessary and interesting things to be done about the farm. But, when I complained of the continual downpour, one of the boys philosophically remarked, "oh, well, what the heck—the rain doesn't leak!"

"Always something to be glad about," said Pollyanna. And that reminds me, you do people scoff at the Pollyanna theory? They really do, you know. It seems to be considered much smarter to be cynical. The world's going to pot, so why not admit it, they say. You're considered naive, if you don't. And what's wrong with that, I ask?

I think it's absolutely necessary to take a hopeful attitude towards what's going around on this old globe. Or, at least, make good try to look for the rainbow.

And I think the world would be a much happier place if we tried believing in the goodness of people, instead of maintaining a suspicious approach. Not that it will ever matter a little what I think about! But, have-

Register for army duty

The army registration held Tuesday was nearly double what was expected in the northwest towns. Five aliens registered in Palatine, two of whom were alien enemies. According to some of the ailments that some of the young men are possessed with the doctors ought to make a good living these days.

87 young men of Schaumburg registered, but all except 16 claimed exemptions. Wm. Kublank and Herman Fenz acted as registrars. 192 young men of Palatine township announced themselves as of the selective draft age when 96 in the north precinct and 86 in the south precinct visited the polls and received their certificates of registration.

Wauconda celebrated the day with a parade and a public meeting. Business houses were closed during the afternoon and the village was decorated with flags.

Registration in the northwestern Cook county townships were as follows: Barrington 200, Hanover 35, Maine 837, Wheeling 489, Elk Grove 147.

Dedicate forest preserve June 16

The Cook county forest preserve commission with the assistance of the Palatine Commercial association are planning on a big day Saturday, June 16, when the new forest preserve is going to be dedicated. The annual school festival will also be held on that day and the committees in charge are planning to entertain one of the biggest crowds that has ever visited the park.

10,000 programs will be distributed throughout Cook county. Park of the program will be held on the shores of Deer Lake. The Northwestern may run special trains. Those who will be unable to attend the celebration during the day can join in the evening's fun when the Commercial association will give a dance.

Old and high trees public nuisance

It was very fortunate that no one was passing State rd. and Sigwalt st., Arlington Heights, one day last week when one of the monstrous trees which stand in front of Mrs. Fimbach's house (now occupied by Ross Davis and family) fell over against the tree next to it breaking off a large limb, smashing two cement blocks in the sidewalk and damaging telephone wires.

There are numerous other trees in town too high and old for public safety. This one case should be a warning.

—1917—

Palatine to buy fire truck

During this week the members of the Palatine Fire department are calling upon the citizens for donations toward an up-to-date fire truck. The town has been divided into 17 sections and each member of the fire company has been given 20 men to call upon.

The fire company has donated \$100 towards the fund. It is planned to ask the village to pay two thirds of the cost, but there still remains about \$800 to be raised by popular subscription, an average of \$2.50 per household.

"Why purchase an auto truck?" one citizen was heard to ask. If that citizen had ever tried to pull our old equipment a few blocks to a fire he would know the reason. No man can run with the hose or ladder truck and then be in condition to fight fire.

But the quiet roads neither look nor care. They know a grove paved with maidenhair, They cradle a pool where the blackbirds nest And curve to a star on a pine tree's breast. They watch the moon paint silver trees And the sun stain hills to a golden frieze; The little roads smile as they wind along, For they live with beauty, and peace, and song.

It Happened Here

The Hog's Back
The hog's back was a hard worn path Thru a tunnel of lucent green, Where trees overarched and sunlight fell In minted gold between.

In our long gone happy school days, At recess or at noon, This was the charmed spot we loitered in.

And had to leave too soon; Here, for us, was the untouched wild. The wilderness vast Where pioneers in coonskin caps And Indian chiefs had passed. In the deep gloom, woodpecker's red head Came and went, While from the ground rose pennyroyal's pungent scent; Here tall ferns grew and moss with crimson cups dew-filled, And columbine's red lanterns gleamed.

Where leafy shadows spilled, This narrow strip, a natural span Between tree filled ravines, Still haunts us with the memories Of school days' happy scenes.

DAY IN JUNE

"What is so rare as a day in June
Then if ever come perfect days
Heaven tries earth if it be in tune
And over it softly her warm ear lays.
Whether we look or whether we listen
We hear life murmur and see it glisten."

So said the poet in that beautiful poem of years ago. But the first few days of June surely didn't live up to that poem or to anything else, unless it was a record for orneriness.

Sunday, June 1, was the worst June first in history and also one of the coldest. The rain which started at about eleven o'clock Saturday night and continued until Sunday afternoon, just about put the finishing touches on flooded fields and gardens.

We never saw a more disheartening sight than the farming and truck growing section between here and the city on Sunday afternoon. Acres and acres under water. More acres too wet to work for days, water standing on ground already planted, waves rippling where corn should be coming up. Young riverlets rushing across truck farms, grain trying to stick its head above the flood waters and the whole scenery a scene of sodden dejection.

It was June, the first day of the month that a long long time ago inspired a poet to write that poem about "What is so rare as a day in June."

EMBER DAYS

Herman Miller, the ember day expert of this department, isn't any too happy about last week's ember days. Wednesday was the first ember day which is supposed to forecast for July was rainy and cold, surely no good vacation weather nor good for anything else.

Friday and Saturday maybe weren't so bad, but they too were cold, especially Friday which was to tell us what to expect in August. Saturday was the best of the three and according to that we are due to begin having some nice weather along about in September.

Well, if we can't have a summer garden because of floods maybe we can have a fall garden, that looks to be about our only hope this year with the waves rippling away in the flood where our tomato patch ought to be.

ONE WAY

Last week when everyone was looking for a killing frost Hank Pohlman out on east Chicago ave. began to look around to see what he could use to cover up his 120 or so tomato plants that he had laboriously set out a few days before.

Not being able to find enough plant pots, boxes, etc., with which to cover them he suddenly thought of a new way to save them. He went out in the garden and pulled them all up and transported them to a safe place.

Then it turned warmer and there wasn't any frost after all. Julius Drexler, Hank's neighbor, was getting a great kick out of

that performance when he was telling us about it a couple of days later.

TO THE MAYOR

Mayor Wm. H. DePue of Palatine can usually muster a smile and look happy whether he feels that way or not. This happy disposition won him recognition from Phil Maxwell, speaker of the day, at the youth convention a couple of weeks ago.

Mr. Maxwell, after remarking about the mayor's ready smile and cheerful disposition, dedicated this poem to him:

"If you can smile when things go wrong
And say it doesn't matter
If you can laugh off cares and woe
And trouble makes you fatter
If you can keep a cheerful face
Then have your head examined, Bud
There's something wrong with you."

The poem originally appeared in a high school paper in Bexley, Ohio.

COMPLAINTS

The Cook county township collectors have just completed the collection of the first installment of the 1946 taxes and to use their own expression "have taken the worst beating in history."

Tax complaints were many and varied and the collectors heard them all. "Why," asked an official in the county building, "should the people complain to you collectors, you don't have anything to do with fixing the tax rates or the valuations?"

The answer to that question is simple. There was nothing personal in the complaints of the taxpayers, although many of them got pretty wrathful. The answer is that the collectors are the only contact between the tax machinery and the public.

Not many people interest themselves about the operation of the local government units and when a big tax bill arrives they just have to blow off steam to some one and the local collector is the one who gets in the way because he's the public's only contact with the tax making machinery.

A group of collectors and officials were discussing their problems in the county building Sunday and we told them this one. "We've been getting heck for five weeks about high taxes, yet yesterday our village voted on a \$75,000 park district bond issue which means still more taxes and there were only 36 dissenting votes, now figure that one out."

An official replied, "It would appear that your folks out there aren't very consistent." But so it does, people will complain about high taxes and then deliberately let something happen that makes them higher.

Not that Palatine doesn't need a park and aren't lucky to get the land they are getting, but from all we've heard about high taxes during the last five or six weeks you wouldn't think that anyone could sell the public a solid gold brick at a bargain, to say nothing about putting over a project to raise the taxes still higher. But such is life, where

to go from here.

DOGS ONCE MORE

Still the dogs are on parade, ranting around lawns and gardens and raising h--- generally. One nice friendly fellow called on us the other evening and came around and wanted to be played with when we were trying to plant some beans.

Then, happy at the attention he got, he whirled around, grabbed a sack of seed beans in his mouth and away he went with us in pursuit. We finally retrieved the beans out in the middle of the flower garden, but the next time we see that fellow loom up we're going to cram all our seed packages into our pockets, he tries to be too blame helpful.

Urges manufacturers to lower prices to combat buyers' strike and boost sales

BUYERS MARKET

Jens S. Rask of Arlington Heights, Lake Forest College student, offers a solution to the problem confronting America. In a college radio talk Mr. Rask presented his ideas on the solution of the periodic depression problem that is haunting democratic-capitalistic America today. Below is his statement on what the businessman can do to avert a breakdown that might bring world chaos.

Well, it seems that the thing we all knew would happen has happened. The market has turned from a seller's market to a buyer's market. In the span of a few short months, the seller's have flooded the market with post-war products. Today, the wholesalers shelves are so full with these post-war products they can't take on another single thing. Everywhere you go the buyers say, "Can't use it." "Don't want any." "See me later." "Got all I need." With these tones from the buyers, America's manufacturers are going into one of the biggest slumps since the war.

More and more men are being laid off from their jobs at present, because of the lack of work. And, as a result, people will not be able to pay the high prices of things today.

President Truman sees this impending peril and has tried for several months to cut prices. Only a few minor gains have been made in that direction.

Not until the manufacturers learn that they must produce at a lower percentage of profit, will prices and wages become stable. If the manufacturer keeps demanding these higher prices, the public will revolt and the wholesaler's shelves, where they will rot, and cause the impending depression that we all seem to fear.

There are a few companies that have shown the way of price reduction. They have cut 10 per cent from all their wholesale costs, which has in turn stimulated sales to such a point that they have made 20 per cent gains on the selling of all their products. This goes to prove

Short Bread
1 pound butter
1 cup sugar
½ cup corn starch
6 cups flour
Method: Mix the butter and sugar together with the hands. Add the corn starch and flour, mixing with the hands until thoroughly blended. Spread in square pans. Bake at 350 degrees until brown. Cut in squares while hot.

BULLS EYE
Answer to a Wisconsin mother who asked how to keep her daughter from putting her fist in her mouth to make it larger: "Tell her the size of the mouth doesn't matter, it's only what comes out of it."

that manufacturers are the boys who hold the key to the future economic system of the United States.

They must learn that prices have to come down, that the public can not pay it, and that in the long run manufacturers will gain by keeping that steady buying market and the steady turn-over of goods.

One other thing will go far in keeping the economic stability. We must not allow the legislators to build up high tariff walls. We must export and import to allow for the steady flow of goods between countries to stimulate competition. This competition will make the manufacturers see that they have to have the best product in the lower price, or they will not survive. But they must not gain profits by not paying the workers well for if they don't pay the workers well, the workers in turn will not be able to buy the products which the manufacturer sells, causing him the greatest harm in the long run.

With this in mind, the manufacturer has to produce a good product at a lower profit, so the public can get something for their money — not having to spend foolishly on products that break and wear out in a short time. This will knock out the need for those higher wages, which in turn will bring down the costs of production so that a manufacturer can bring down his wholesale price. This will go far in averting the on-coming depression that is about to come upon us.

The general trend today, is that prices are coming down. Some of the manufacturers seem to be wising up to the fact that it is better to take a little reduction in profits now than a great big loss all at once that might ruin them bankrupt.

So with that in mind the public can look forward, I am sure, to a stable economic system, when supply and demand will come to an all time high-making this post-war period the most profitable period in the history of the United States.

There is more to it than just looking out for our own selfish gains. We must think of other countries who are dependent on

our stability. For many of them, their only salvation is the steady flow of American goods. So as a result, you Americans can see that prices have to come down so that the economical stability of the foreign countries will not be imperiled more than they are. The whole world will slowly but surely rise out of the ashes, dust and ruin that a few countries, not so long ago, tried to put us in so completely.

POPPY DAY

On behalf of the VFW and American Legion Auxiliaries may I thank you for calling attention to "Poppy Day" in last week's paper. As usual, the local residents responded generously.

The net proceeds of the poppy sale is retained by these local organizations for rehabilitation work.

They prefer to use these funds locally to help their own community's servicemen. Any veteran who needs a lift in an emergency should appeal to the VFW or American Legion Auxiliary.

Greeley note

Dean rates journalism, like law and medicine, a full six year course

Schools of journalism ultimately will take their place in academic and professional prestige with schools of law or medicine, Kenneth E. Olson, dean of the Medill school of journalism of Northwestern University, predicted last week.

"I expect to live to see the day when most programs in journalism will be six years, and when most of our schools of journalism will be graduate professional schools," he declared in his address, "Education for journalism," the keynote speech of a convocation, at 3:30 p.m. in Cahn auditorium on the Evanston campus, marking the 25th anniversary of the school.

"Newspaper men and women daily prepare the food of public opinion," he continued. "In a democracy whose very existence

depends upon an intelligent and informed electorate, they serve a function more vital than any other profession. Is it not tremendously important that young men and women who seek entry to this profession be given the best possible education and professional training?

"Within our own country, problems of government, finance and business, labor, minorities, housing, standards of living, crime, juvenile delinquency, education, health, science and industry have reached such intricacy that a 'nose for news' no longer is the measure of a man's adequacy for a career as a newspaperman. It was a simple world in which Horace Greeley, Charles Dana, and James Gordon Bennett ruled as giants of American journalism. Today, if any one of these men could return to this earth, he would not last a week as editor of any of Chicago newspapers.

"It is a staggering thought... that, on any given day, a single great metropolitan newspaper will reach more people than all the college and university professors in all our institutions of higher learning in the U. S.," Dean Olson stated. "Most of what America's 140,000,000 people know of world, national, state and local affairs they learn from their newspapers, or radio, and magazines... The facts of daily life which regulate thought, business, ideals, and aspirations are the current events and current opinion, and these are the commodities with which press and radio deal."

After explaining the broad, liberal education necessary to equip a newspaperman for his work, and the program carried out in the Medill school to provide that education in addition to training in journalistic skills, Dean Olson assailed the report, issued a few weeks ago, of the commission on the Freedom of the press which, he said, "after an expenditure of three years in time and \$200,000 in money, with the naive of ignorance, by implication condemned schools of journalism for not providing their students with a liberal education."

"It was apparent," the dean

commented, "that the members of this commission believed that a student in a school of journalism spent all four years studying nothing but reporting, or copy-reading, or advertising. Nothing could be farther from the truth, but no member of this commission ever bothered to find out what went on inside a school of journalism."

"Had any member of this commission taken the trouble to journey across the city of Chicago to this campus, he might have discovered that what this report now so portendously recommended had been the established program in schools of journalism before the commission itself was created. Research which starts

with preconceived notions, and neglects together facts from which sound conclusions can be reached, is regrettably not scientific, nor can its conclusion be accepted as valid."

Indian Minerals

About a third of the world's manganese, now vital in the manufacture of industrial steel, has come from Indian mines. That country's skilled workers long provided most of the supply of high-grade mica splittings essential to the electrical industry. While India's petroleum output is relatively small, it offers an increasing and valuable source of domestic light, power and fuel.

JUST DOGS

Dogs and Hot Weather

Although many people may be somewhat in doubt as to whether or not the rain we have been having will ever end, and summer will start, the subject of the care of their dogs during the hot summer months should be thought of now, and not during July and August when the temperature is trying to break 100.

There are just a few points to remember about your dog and hot weather. One of these points is that the amount of food your dog eats is based not only on the season of the year, but also upon the amount of exercise he takes. In summer, dogs are bothered more by the intense heat and tend to lie around with the result that not much food is often required. As a passing thought, do not let the dog's food stay in its dish after feeding time is past, if the dog leaves any, or all, of its meal uneaten.

Let him have plenty of shade to lie in, or if not shade is available, make a small platform under which the dog can lie and if he wants to dig a hole under the platform and lie in the hole, let him do so. As the dog's earth helps to combat the heat. Keep plenty of fresh water on hand for the dog, change it often during the day so that it is cool, and if he sleeps in an outside dog house, make sure the house is kept clean. To help keep flies away, darken the quarters inasmuch as flies do not like the dark. Also if you have a run, or kennel, for your dog, cover any area composed of sandy soil with black dirt. Sandy soil forms one of the best protections for fleas eggs which can run riot during the hot summer weather.

As one last thought on the subject of hot weather, you can give your dog a bath as often as you wish in very hot weather, but keep him out of a draft until thoroughly dry. It is best to take him outside and let him exercise a bit while the coat is drying, but DO NOT play ball or engage in any over active exercise during the heat of the day. Dogs as well as humans can suffer from sunstroke and heat exhaustion.

Purebred Dogs

Last April, your editor mentioned in one of his columns that the number of purebred dogs recognized by the American Kennel Club was 113. This should have been 112, the figure slipped by and when the editor was checking over his column after it had gone to press, he noticed the error.

In addition to the above figure of 112, there are about 10 more breeds of dogs which have been purebred for many years, but have not yet been accepted as such by the A. K. C.

There were 18,372 dogs officially accepted as K-9 War Dogs by the U. S. War Dog Training Camps during the last war. Of this number 4,446 were killed in action, or otherwise. Rather an impressive record for a "dumb animal" who asked no reward other than a pat on the head for a job well done.

Questions on G. I. bill

This is another in a series of questions and answers regarding the rights of returning servicemen and their families, as answered by the Illinois State Employment Service at 5306 W. Lawrence Avenue. Further information may be obtained by contacting this office.

Question: For what purpose may a veteran get a guaranteed loan?

Answer: To buy, build, repair, alter or improve a home; buy a farm, livestock, equipment or supplies or to acquire working capital; construct a farmhouse or other building on a farm; repair, alter or improve farmhouse or other buildings; improve farm land or equipment; conduct farming operations; purchase stock in a cooperative association where the purchase of such stock is required by Federal law in connection with obtaining a farm loan, buy business; buy a building or land for business purposes; buy business supplies, tools and equipment for operating a business; construct, repair or improve a business building or personal property; obtain working capital for a business or profession.

Question: What interest rate is charged?

Answer: The interest rate on a guaranteed loan cannot exceed 4 per cent. The interest on a non-real estate loan which is to be insured for the lender instead of guaranteed may be as much as 5.70 per cent.

Question: I am going back to school and I am supposed to report for Unemployment Compensation. Will it be necessary for me to come into the office? I was in two weeks ago.

Answer: You should report as you may have acquired some benefit credit. If you cannot report in person send a post card to your local office to inform the Unemployment Compensation Division of the date you returned to school.

Record rail verdict in Lombard accident upheld by high court

Said to be the largest ever given in a similar accident case, a judgment of \$31,700 returned in the DuPage County circuit court two years ago, has been upheld in a decision handed down by the Illinois Supreme court.

The judgment was issued in favor of the estate of James A. Doran, 47, of Aurora, who was killed on January 7, 1942, when he fell from a Chicago North Western freight train locomotive as the train passed through Lombard.

Doran was acting as fireman on an 80 car train enroute from DeKalb to the Proviso Yards. Doran's clothing had gotten wet in sub-zero weather when the train halted to take on water. He started over the tender to dry out in the brakeman's "doghouse" at the rear of the engine and apparently lost his grip and fell.

Subsequently a suit was brought against the railroad, resulting in the DuPage county court verdict. This was appealed to the Appellate court, which upheld the lower court's decision, after which an appeal was taken to the State Supreme court.

Only two more steps are available to the defense. They are a request for a retrial by the State Supreme court and an appeal to the United States Supreme court in the meantime, the \$31,700 judgment is bearing interest at the rate of 5 per cent.

County taverns notified of license deadline

The tavern owners in the unincorporated areas of Cook county were notified yesterday that they must renew their yearly operating licenses immediately.

The notifications were issued by William N. Erickson, president of the Board of Commissioners of Cook county, who is also the Cook County Liquor Control Commissioner.

The license fee is \$400.00 per year with an additional \$50.00 for those taverns offering entertainment.

Lutheran charities are big business

Associated Lutheran Charities within the Synodical Conference was founded in the year 1901, when three institutional missionaries met in the basement of old St. Paul's Church in Chicago to discuss their common problems.

Besides institutional missions work, child welfare, or "home-finding," as it was called in those days, was also within the scope of their activities. It was not long before the superintendents of orphanages and old people's homes were drawn into the picture, and the "Charities Conference" thus became truly representative of the "inner mission" work of the Missouri Synod.

The Synodical Conference maintains 13 homes for the Aged representing a property value which exceeds \$1,000,000.

According to latest available statistics, 17 child welfare agencies and institutions serve approximately 1500 children annually.

Nineteen hospitals are owned and operated by Lutherans of the Synodical Conference. These hospitals have a combined bed capacity of 1,987 and served 67,061 patients in the year 1945. They represent an investment of approximately seven million dollars and employ approximately three thousand people in the various services. Value of free service rendered was \$165,186.00 in 1945.

Elemental nitrogen effective on corn

Here's some information on how to get the most out of your nitrogen side dressing for corn. A. L. Lang, agronomist at the University of Illinois, reports results of a study of side dressing carried on by the experiment station there last year. It showed that 40 pounds of elemental nitrogen, side dressed at the second cultivation, was as effective as any other rate or any other time of application used in the tests.

The 40 pounds of elemental nitrogen was supplied in 125 pounds of ammonium nitrate. Side dressing the ammonium nitrate at the second cultivation was just as effective as twice as much elemental nitrogen broadcast either before plowing or at any period after plowing during the growing season of the corn crop.

Nitrogen added by side dressing has also increased the response of corn to phosphate and potash fertilizers. Lang adds that most good, well-managed corn-belt soils can supply plenty of nitrogen for the early growing period, but unless the management is above average the supply may run out toward the end of the year.

Side dressing during the second or third cultivation should be effective, then, when the soil can't supply enough nitrogen for the entire growth of the plant. Corn growers know that the soil must supply nitrogen to the corn crop during July and early August in much greater quantities than is required during the earlier part of the growing season.

That rate, again, was 40 lbs. of elemental nitrogen—supplied by 125 pounds of ammonium nitrate to the acre—side dressed at the second cultivation of the corn crop.

"Last year on corn a small amount of ammonium nitrate was used on the plots on the Rohlfing Farm, Route 53 and Route 58, with no apparent increase from the nitrogen. This was land that had been four years in alfalfa and had a coating of manure. Even though the season was dry, at no time did the corn show firing of leaves, which is an indication of nitrogen starvation. This same plot will be carried in corn a second year and nitrogen will be used on half of it to determine if, after a crop of corn has been taken off, the nitrogen can be used profitably," states Farm Adviser C. A. Hughes.

Safety's sake

Farm adviser gives hay season cautions

Having operations mark the beginning of a season when farm accidents run high, cautions C. A. Hughes, Cook County Farm Adviser. He pointed out that having machinery with high-speed cutting mechanism and gears is operated in a busy season when chances for accidents mount rapidly.

To assure safety and avoid lost time, the first step is to check equipment carefully before haying starts. Watch out for defective hitch, ropes, pulleys, lifts, hay racks and ladders. See that loft floors are in good repair and hay chutes guarded to avoid falls. Also check your mowing equipment and see that safety guards are in place. While harvesting hay, workers must be constantly on the alert to avoid falls from hay racks, stacks and mows.

Watch starts and stops while loading, especially on rough ground. Never dismount from tractors or mowers while they are in operation.

Pitchforks are misused more than any other tool. You can not afford to take chances with

Farm bureau backs dairy sales plan

President Charles B. Shuman of the Illinois Agricultural Association today urged dairy farmers of the state to cooperate in the June campaign of the American Dairy Association to raise funds for a year-around advertising and promotion program.

Dairy farmers are being asked to contribute one cent for each pound of butterfat they market during June. With the consent of the producer the deduction will be made by receiving plants from milk and cream checks.

"Farmers," Shuman said, "can well afford to spend more money in the field of advertising, promotion, research and merchandising, and I trust that every Illinois dairyman will cooperate in this important program."

With the growing competition for the consumer's dollar, dairy-men realize that there is a need for an aggressive sales campaign to maintain a high level of demand for their products.

Midwest farm boys enter lamb show at stock yards

Many entries have been received from midwest farm boys and girls for the 9th Annual Chicago Market Lamb Show and Sale, which will be held at the Union Stock Yards on Friday, June 13, officials of the show report.

The contest is open to any farm boy or girl who has raised a lamb as a Vocational Agricultural unit on 4-H project.

Competition will be divided into four classes for lambs of market grade and condition. They include single lambs and pens of three, five and ten. Cash prizes are offered in each class, and additional cash awards are made by the Shropshire, Hampshire, Suffolk and Oxford sheep associations for winners of those breeds.

The prize winning lambs will be sold at auction following the judging, which will be done by packer buyers in the Chicago market. The event will conclude with a sheep shearing contest, in which all the exhibitors are eligible to compete.

Entries for the show will be accepted up to Monday, June 9.

St. Norbert church dinner this Sunday

More than a thousand guests are expected at the annual church dinner sponsored by St. Norbert's church, Techny, next Sunday, June 8, at the church hall on Waukegan Road, Rev. Father C. Haefner announced last week. The dinner will be held from 12:30 p. m. to 5:00 p. m. The admission will be \$1.50 for adults and 75c for chil-

dren under twelve. An outdoor games tent and a refreshment booth will be operated during the entire afternoon. Fifty parishioners will be on hand to serve and entertain the guests. Mrs. Bernard Schildgen of Northbrook is general chairman of the event.

Sugar Maples
Large sugar maples have been known to produce as many as 40 gallons of sap in one season. It usually takes from 45 to 50 gallons of sap to make one gallon of syrup.

Seek taggers for 'Doughnut Day'

An urgent appeal for volunteers to tag for The Salvation Army on "Doughnut Day," Tuesday, June 17, was made today to the women by Mrs. Henry Paschen Pkwy., Chicago, chairman of the annual drive.

At a Taggers' tea to be held Monday, June 9, in the Hotel Continental, taggers will be entertained by Johnny Olsen's "Ladies Be Seated" radio show, which will be broadcast at 2 p. m. over WLS via the NBS network. All taggers are invited to attend the tea and should arrive no later than 1:30 p. m. if they wish to participate in the broadcast.

All proceeds of the "Doughnut Day" drive will be used to help the Salvation Army care for the needy through its social service institutions and welfare program in Chicago.

Mrs. Joseph Wisersky, 229 S. Walnut, Arlington Heights, is 1947 Doughnut Day colonel for Arlington Heights.

Mrs. D. Darling, 111 E. Chicago avenue, is 1947 Doughnut Day chairman for Palatine.

Guest Rugs
Homes in the orient have special fine rugs reserved for guests, just as special towels are reserved for guests in American homes. The special rugs are spread before the fire upon the arrival of guests in an oriental home.

RAMBLE INN 'N OUTINGS

Congratulations to the Arlington Heights Township high school junior varsity track team. Fourteen boys from Arlington High school took the Northeast Junior Varsity conference championship at Palatine last May 28. Bill Robinson, Ken Bork, Orv Shaeffer, Wally Goebert, Tony Moretti, Roger Breda, Bob Ragland, August Krause, Dick Spratt, "Emmy" W. McDonough, Ronny Gramberg, Gordon Busse, Phillip Theis and Alvin Kehe made up our victorious team. Orv Shaeffer tied one conference record and set another. All the guys did a great job and the whole school is really proud of them. Congratulations again, fellows, from Ramble Inn.

Well, Ramble Inn's second summer season has started. It looks to be the greatest yet. Ramble Inn has moved upstairs in the field house while the swimming pool is open. As soon as the pool closes this fall the Y. C. will be back down in its old station. The complete schedule for the summer has not as yet been decided, but it will be contained in this column as soon as possible.

Just another reminder about Ramble Inn memberships. This coming year will be really great and exclusive for members. You will be out of it if you don't have your card. Get them now. Only \$1.00.

The Junior Prom was one of the top dances of the season. A giant crowd danced to the sweet music of Johnny Olin's Orchestra while enjoying the pleasant atmosphere and the decorations which were delightful, dazzling and superior in every way. The girls in their beautiful formal dresses presented a strikingly suave and sophisticated picture.

Jean Freyermueh was elected the Prom Queen by the orchestra who were the judges. Congratulations Jean. You deserved it. All the other girls should be complimented too on their exquisite beauty and grace as they danced and talked at the Prom. They presented a scene of loveliness and grandeur beyond description.

Y. C. congratulations to Joe Salzman, Robert Heller, Joanne Leckband, Joan Dodge and Miss Dorrine Petersen, who are president, vice president, secretary, treasurer and sponsor of the junior dance. You put on a great dance.

We'd also like to recognize Mr. and Mrs. R. E. Salzman, Mr. and Mrs. E. H. Heller, Dr. and Mrs. N. F. Leckband, Mr. and Mrs. H. L. Slichenmeyer, Mr. and Mrs. C. Peterson and Mr.

Cub leaders to meet at Lake Geneva session

Ten volunteer Cub leaders from the Northwest Suburban Council will attend the Wel-E-Ka-How this week-end at College Camp, Lake Geneva. The Wel-E-Ka-How, Hawaiian terminology for "strike while the iron is hot," is a huge Cub Scout Leaders' training course to give ideas and techniques to volunteer leaders of the four state, comprising Region Seven. The name was chosen not only because it is rhythmic and harmonious but also because it best typifies the spirit of scout leaders in this region in their endeavor to increase the Cub Scout membership more than 25 per cent.

The delegation from the Northwest Suburban Council will form a portion of the 850 delegates who are gathering together for exchange of ideas. These delegates will each be assigned to a training division which will give useful helps on the following subjects: Den and pack program, ceremony, Indian lore, nature lore, games without equipment, games with equipment, handicraft, advancement, puppetry and dramatics, story telling and song leading and summertime program.

The conference will begin Friday noon, June 6, and continue through Sunday afternoon, June 8. At the banquet on Saturday, a Cub Scout statue, which was sculptured by Eugene Romeo of Park Ridge, will be presented by the Northwest Suburban Council to the National Cubbing Section, Boy Scouts of America. The statue is 4 feet 6 inches high and shows a typical Cub Scout in uniform raising his hand in the Cub Scout salute.

The Training Committee of the Northwest Suburban Council selected the following delegates to represent this scouting organization: W. F. Kratt, chairman of the Wel-E-Ka-How Committee, Park Ridge; Mrs. Rudolph Peterson, Mt. Prospect; Mrs. E. H. Newport, Palatine; Mr. Victor L. Bedingfield, Arlington Heights; and others.

Chickens are one type of livestock that have increased steadily in New York state since 1880.

Palatine VFW post to hold dance this Saturday

Palatine VFW post 9228 will hold a dance this Saturday night, June 7, at Elk Grove Inn, on Higgins road just south of Arlington Heights, and east of Rte. 53.

Jule Spath and his orchestra will furnish the music with both old time and modern dancing scheduled. Tickets can be obtained at the door, or purchased from any member of the post. Door prizes will be awarded.

This is the first public entertainment given by the newly formed Palatine Veterans of Foreign Wars post, and a good turnout is expected.

There is no way of willing yourself into good health. No doubt there are mental stresses and strains which affect strength and energy. We all know people who worry themselves into a sick bed.

There are, however, all too often, deep infections which can be discovered, treated and eliminated. This calls for a doctor's skilled diagnosis and for the purest, more efficacious medication.

The time and money you devote to a medical checkup is worth many times more than the cost. For one thing you know what is wrong, to proceed to correct it, is a release from tension in itself.

See your doctor at regular intervals. Buy the best medication. Patronize a capable druggist.

Lesson in English

by W. L. GORDON

Words often misused

Do not say, "I value this picture above any other." Say, "I value this picture more than any other."

Do not say, "She was exceedingly kind to him." Say, "She was exceedingly kind to him."

Do not say, "Everyone is not saving his money." This is not true, for many are saving money. Say, "Not everyone is saving his money."

Do not say, "We only have a small amount." Say, "We have

only a small amount." Only should be placed directly before the word or phrase it qualifies.

Do not say, "What is the use of your going?" Say, "What is the use of your going?"

Do not say, "The man pleaded guilty." Say, "The man pleaded guilty."

Words often mispronounced

Frappe. Pronounce fra-pa, first a as in ask, second a as in pay, accent second syllable.

Lariat. Pronounce lar-i-at, both a's as in at (second a unstressed), i as in it, accent first syllable.

Epoch. Pronounce ep-ok, e as in bet, o as in lock unstressed, accent first syllable.

Governor. Pronounce guv-er-nor, three syllables, and not guv-nor.

Fricassee. Pronounce frik-a-se, i as in a, unstressed, e as in see, principal accent on last syllable.

Languid. Pronounce lang-kwid, not lan-gwid.

Words often misspelled

Straight (not curved). Strait (a narrow passage of water). Disappearance; one s, two p's. Criticize; ze preferred. Injure; preferred to prefer. Franchise; ise, though pronounced ize.

Word study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Credible: worthy of belief; trustworthy. "A very diligent and observing person, and likewise very sober and credible."—Dampier.

Imprudent; lacking foresight or thrift; prodigal; wasteful. "He was an imprudent son of an indulgent father."

Incompliance; refusal or failure to comply; an unyielding or unaccommodating disposition. "Her incompliance in religion aroused disturbances in her community."

Adventitious; not inherent; accidental; casual. "Deformity is either natural, voluntary or adventitious."—Fuller.

Deterrent (noun); that which prevents from action by fear of consequences. "The news acted as a deterrent."

Morbid; abnormally impressionable, especially by ideas of a gloomy nature. "Dwelling on such things produces a morbid mind."

YOUR DENTAL IQ

(Contributed by the Committee on Dental Health Education of the Chicago Dental Society) Question: What is pyorrhea and what causes it?—B. B. M.

Answer: Pyorrhea, as the term is commonly used, covers a multitude of diseases of the supporting tissues of the teeth. Actually, "pyorrhea" means a flow of pus from the bony socket in which the tooth rests, and it is therefore descriptive of only one phase of the disease. Peridontoclasia (per - i-o-don-to-clazha), which means a breaking down or destruction of the tissues around the teeth, is a more satisfactory term. The complex causes of peridontoclasia are not all known to dental science. Most authorities divide them into two classes: Local and system-

Rumors to contrary, bus line not for sale

A rumor that is so ridiculous that it shouldn't be necessary to answer has spread about Des Plaines to the effect that the Manuel family have sold their bus company. Leonard Manuel says that he has not nor does he consider selling the transportation company that his father started some 50 years ago.

Mr. Manuel says that he will sweat out the present strike crisis until an amiable settlement is made. He is very sorry that the public is suffering from this stalemate, but he says there is nothing that he can do about the matter until the demand for wages are commensurate with the possible earnings of the company at the present rates for fares.

THE MAILMAN'S CORNER

by LELAND ELLIS TRUXELL

James had lost everything. The home he had built with so much forethought, the good job he had, even his health. I remember the day we were talking about his future, about his misfortunes, and his chances to regain his health and the position that he once held.

"Well, Lee," he remembered him saying, "I didn't get the things I have enjoyed by chance. I earned them. It took hard work, persistence and faith to do what I did, and it will take just that to win it back."

That was ten years ago, during the depression. Today, with health restored through the aid of specialists, years of restricted diet, operations, medicine, James is fighting his way back to the top.

The thing that aided James in his decision and in his struggle back up the ladder was his unceasing faith in himself, his total lack of self pity, his ability to stand on his own feet and fight with dogged determination, and the ability to lose himself in his work—to forget his own misfortunes, his sickness, his loss of wealth and home, and to concentrate all of his energies on the work he had to do.

In every life, the hardest battles we have to fight are fought within our own heart and mind. The struggle for morality, the struggle against self pity, the determination to overcome all fear and lack of faith, to build our minds and bodies strong and unselfish, these are the battles we have to fight, if we are to

win. Some of the local factors are: bad mouth hygiene which permits the accumulation about the teeth of food debris, tartar, and bacteria; rough fillings; malocclusion causing by missing and crooked teeth; and the relative disuse of the jaws and teeth in mastication.

The corrections of these conditions require the services of a dentist. Some of the systemic causes are malnutrition, blood and glandular disorders. These are medical problems requiring close cooperative treatment by the physician and dentist. It is a curable disease in most instances, provided treatment is not too long deferred.

Seek latest address of next of kin of all gold stars

The War Department has requested all survivors of men and women who died while serving in the Army during World War II to make certain that two of its agencies have their present addresses.

Many instances have been found where letters sent to these next-of-kin have returned, marked "Moved: Left no forwarding address."

Next-of-kin who have moved since last notifying the War Department of their addresses are asked to mail a postcard or letter to each office stating in effect:

"I am next-of-kin to (name) (grade) (serial number). My former address was (street, city, state). My present address is (street, city, state)."

These communications should be mailed to: The War Department, Adjutant General's Office, Attention: Personnel Actions Branch, Casualty Section, The Pentagon, Washington 25, D. C. and also to "Memorial Division, Office of the Quartermaster General, Washington 25, D. C."

Service Officer Melvin L. Kehe of the Illinois Veterans Commission, with offices at 210 N. Dunton st., will assist in preparing these letters.

Modern Etiquette

by ROBERTA LEE

1. Should the woman or the man precede, when leaving the dining room of a hotel?

2. May one use the words "refusing" or "refusal" when replying to an invitation?

3. Should the toothpicks be placed on the table when the table is set?

4. When cutting meat and the fork is held in the left hand to hold the meat in place, should the prongs be turned up?

5. Should the maid of honor straighten the bride's train when she turns to leave the church?

6. What phrase should be used if one does not wish to use "R. s. v. p."?

7. Should the hostess plan some entertainment for each day of a house party?

8. When two women are driving, who enters the automobile first, the hostess or her guest?

9. Is it customary to tip the coat-room attendant of a dining room?

10. When autographing a photograph, should a girl add a few words of sentiment to the signature?

11. Should a woman who is smoking observe the same courtesies as a man?

12. How are guests invited to a christening?

ANSWERS

1. The woman precedes, the man follows. Neither should forget the "Good night" to the waiter or headwaiter. 2. No; one may regret, but does not refuse. The impolite expression "refuse" is not used in good society. 3. No; toothpicks are never used at the table, or in the presence of others. 4. No; the prongs should be turned down. Always see that the knife and fork form considerably less than a right angle with the plate. 5. Yes, this is one of her duties. 6. If one prefers to use English words, write, "The favor

of a reply is requested." 7. Yes; to make the house party a success, this should be done. However, some free time should be left for the guests to do as they please, usually the mornings. 8. The guest. 9. Yes; the usual amount is ten cents, more if desired. 10. Not unless her fiancé, or some very intimate friend, has asked her to do so. Just the name "Mary" is far better than to inscribe some sentiment, and then regret it in later
